

LEARNING THAT LASTS

Taking the best in higher-education design and applying it to corporate learning experiences

COURSE DELIVERY: Online
CPD CREDIT: 1 Hour

CPD COURSE DESCRIPTION

This CPD will seek to educate attendees on the latest trends happening in both higher education and corporate learning environments, exploring how the design lines are converging between vertical markets.

UNDERSTAND the shifts in demographics of corporate and collegiate learners today, including the generational mix which requires catering to diverse needs.

UNDERSTAND the ways that colleges are evolving to look more like corporate spaces and conversely, the ways in which corporate spaces have shifted to be more like college.

UNDERSTAND best practices for creating flexible fixed-seating layouts in learning spaces for the future.

UNDERSTAND new technology trends impacting spaces today, looking at ways to incorporate new tools to make learning engaging.
